

Join Us

Wednesday, May 3, 2023 6:30 PM - 8:30 PM

A personal Zoom link will be sent to you as the event nears.

The LFC Leaders Fellowship Class of 2023 invites you to ...

“Celebrating the Next Generation of Social Justice Change Agents”

We hope you can join us for this invigorating, fast-paced, extraordinary Zoom special event that you’ll be talking about for days after.

Keynote Speaker

Katie Hobbs
Arizona Governor

Class Speaker

Joselyn Wilkinson
Statewide Capacity Building Initiative Director
Arizona Housing Coalition

Governor Katie Hobbs is a battle-tested statewide leader who has dedicated her life to solving difficult challenges for Arizonans. A lifelong Arizonan, Katie grew up in a middle-class family in Tempe, attended some of the state’s best public universities, and she and her husband Pat raised their kids Sam and Hannah in Phoenix.

Katie learned the value of service from her parents and her faith. After putting herself through college at Northern Arizona University and graduate school at Arizona State University, she immediately started as a social worker working with homeless youth in Phoenix.

She then went on to run one of the largest domestic abuse shelters in the country. As a social worker, she saw firsthand the devastating effects that poverty and lack of access to health care create so Katie decided to run for office to tackle the root of the problems that were causing people to end up in these situations.

In the legislature, Katie worked with two Republican governors to expand healthcare to over 500,000 Arizonans, tackle the growing opioid epidemic, and hold criminals accountable by clearing the state’s rape kit backlog. As Secretary of State during the 2020 election, Katie’s office conducted the safest and most secure election in Arizona’s history amid unprecedented challenges to our democracy.

In early 2023 Katie was sworn in as the 24th Governor of Arizona. LFC is honored that Governor Hobbs will be our keynoter at this event and proud that she is an alum of our Leaders Fellowship and past Board member of LFC.

LFC trains and prepares leaders and emerging leaders to advance social justice values and lasting policies. Donations will be applied to our Scholarship Fund and Program Development and are tax-deductible.
