### Congresswoman Adelita Grijalva

#### Congressional District 7

Adelita Grijalva was elected to the U.S. House of Representatives on September 23, 2025. She was sworn in on November 12 after a seven week delay, the longest in congressional history.

Daughter of former U.S. Representative Raúl Grijalva, she graduated Pueblo High School and the University of Arizona with a Bachelor of Arts degree in political science in 1995. She previously served as a member of the Pima County Board of Supervisors for District 5 from 2021 to 2025 and on the Tucson Unified School District Governing Board from 2002 to 2022. She also served as director of the non-profit juvenile diversion program for Pima County Teen Court for 25 years.

Congresswoman Grijalva won her election by a 2-1 margin. She is the first Latina to represent Arizona in Congress.

LFC trains emerging leaders to advance social justice. Donations will be applied to our Scholarship Fund and Program Development. Donations are tax-deductible.
